GALT TRAFFIC

NOVEMBER 2002

CHILIFEST, HAYRIDE AND BONFIRE

Saturday Oct. 12 began as a chilly, rainy day but following a mid afternoon cold frontal passage, the skies opened up and the crisp, clear evening that followed was ideal for our chili supper, hayride and bonfire. We had a good turnout (about 30) and event chairmen Rafael Gonzalez and Steve Mark saw to it that everything ran smoothly. This was the last Chapter event of the year – if you missed it, be sure to make the Pasta Potluck in February!

NOVEMBER MEETING

Don't miss the very important November membership meeting, Sat. the 9th at Galt, 10 AM. We will hold the election for Secretary and Treasurer. We are expecting two of our Air Academy Scholarship winners to join us and tell us a little about their Oshkosh experience. We also expect Jack Van Acker, a B-24 pilot stationed in England with the 8th Air Force during WWII to chat with us and answer questions about his memories of that era.

One more thing, don't miss the last Young Eagles Rally for 2002 November 17th, 11 to 4 PM.

MR/S. PILOT: DO YOU HAVE CLOUT ON CAPITOL HILL?
YOU DO IF YOU BELONG TO AOPA!

Oct. 3 - AOPA was ranked among the most effective. organizations on Capitol Hill in a recent issue of *Fortune magazine*. The publication surveyed members of Congress and congressional staffers, senior White House aides, and professional lobbyists and asked them to rate the political "clout" of various associations and interest groups. AOPA was the only aviation organization to make the list.

"Defending the interests of general aviation before Congress is one of the most important things we do," said AOPA President Phil Boyer. "And the reason we do have clout on the Hill is because of our membership. When we talk to senators and congressmen, **they know AOPA** represents more than 385,000 committed pilots who are important members of their communities and who vote. That's power in Washington."
